

Morning Devotions

Please begin each day with the Lord. Great value is found in re-centering our hearts and minds, focusing our attention on God, and worshipping Him for all He has done.

Choose one of the following options:

1. Prayer time by yourself or with family.
2. Read from a devotional book on your own or with family.
3. Learn more about what God has equipped you with by watching one of the videos that discuss our Bible Memory passage for Term III, the Armour of God.
