Seesaw

I will post pictures from our class on Seesaw Family. Occasionally Mrs. Taves will use Seesaw Class to have your child listen to and submit recorder work. The code for Seesaw class was sent home on Wednesday. Please don't hesitate to ask if you need help connecting!

Hope Centre Food Bank

We are collecting donations of food items for Hope Centre. Some of the most wanted items include: canned fish/poultry, baby food/formula, canned vegetables/fruit, canned stew/chilli/beans/soup, peanut butter, cereal, dry pasta/rice, and canned spaghetti sauce. Thank you for the donations that have already come in! Thursday, October 8 is the last day the school will be collecting donations.

Spelling - Week 4 - Cursive Handwriting

Please encourage your child to practice their spelling words in cursive handwriting both Wednesday and Thursday. Monday and Tuesday the children can practice using SpellCity, writing in print, or some other fun way that works for your family. Going forward the class needs to use cursive for most subjects, but I do give exceptions once in awhile.

LA

We are continuing to read through *The Cay* by Theodore Taylor. We will be reading the book in class, having discussions, and writing journal entries. These journal entries are made up of student connections between *The Cay* and their lives, another book, or some form of media.

Math

This week's fun facts check-in will focus on the two times table. I quiz students on their times tables on day 6, which is Tuesday this week. This is the order we will proceed in: 2x, 10x, 3x, 4x, 5x, 9x, 6x, 7x, 8x, 11x, 12x.

We are finishing up a unit on whole numbers. The test will take place next Wednesday. A completed review packet will come home next Monday.

Unit Studies

In Social Studies we are learning about the First Peoples of Canada, and pulling information about different groups of First Peoples from a text book. This is good practice gleaned information from a text, a skill that will be used and built upon throughout grade 5. The students are working in groups and taking turns as writer. One example of a question students answered this week is: What type of housing did the people of the Northwest Coast live in? It was especially wonderful to have Mr. VK come in again this week to review details from The Forks field trip and dive deeper into the material!
