$5 \times 6 = 30$	

Spelling - Week 8 - Test THURSDAY

Next week is a very short one with both Wednesday and Friday off school. I have 20 words in the list, and will mark the test out of 15 rather than 20.

Math

Next week's fun facts check-in will focus on the 5 times table. Make sure to study these with your child. You can use the links on the Math Resource section of the class website. This is the order we will proceed in: 5x, 9x, 6x, 7x, 8x, 11x, 12x.

The class is doing really well with creating addition and subtraction math equations using variables. Multiplication and division with variables has been much more difficult. We will take some math time next week to play multiplication and division games.

I'm tentatively planning on giving the unit 2 math test on Tuesday, Nov. 17. The test will involve completing patterns, writing the pattern rules, completing tables, extending tables, solving equations with variables and creating word problems for a given equation.

Parent-Teacher Conferences

Parent-Teacher conferences are next week Thursday evening and Friday. If for some reason you are not able to make it, please let me know as soon as possible. We can always reschedule for another time or day. I am looking forward to meeting with all of you!

Koats for Kids

We are collecting gently-used kids winter gear including coats, ski-pants, boots, mittens/gloves, scarves, and toques for the entire month of November. If you have any of these items that you can no longer use, please send them to school with your child. Already some donations have come in! Thank you!

Bible Memory Verses

BMV due **Thursday, November 12th**

(Previous Verses) "...For the law was given through Moses; grace and truth came through Jesus Christ. No one has ever seen God, but the one and only Son, who is himself God and is in closest relationship with the Father, has made him known." *John 1:1-18*

November 12-26: BMV Catch-Up & Bonus

Use this time to get caught up on missed verses, re-do verses to improve marks, or work on the Bonus passage (Isaiah 53:2-10a) to earn a 4 for Bible Memory on the report card. Students will also be expected to complete their BMV project during this time.

9x

$9 \times 0 = 0$

$9 \times 1 = 9$

$9 \times 2 = 18$

$9 \times 3 = 27$

$9 \times 4 = 36$

$9 \times 5 = 45$

$9 \times 6 = 54$

$9 \times 7 = 63$

$9 \times 8 = 72$

$9 \times 9 = 81$

$9 \times 10 = 90$

$9 \times 11 = 99$

$9 \times 12 = 108$
