## Dates to Remember

### Nov 13

No School, PT Conferences

### Nov 20

No School, Coordinated Day

### Nov 23 - 26

Compound

Machine/ Playground

Blueprints Projects Due

### Nov 27

No School, Coordinated Day

### Dec 4

No School, Coordinated Day

### Dec 7

Report Card Distribution

### Dec 18

Early Dismissal, 2:15

### Dec 19

Christmas Break Begins!

## Parent-Conferences

Thank you to all for taking the time to connect either this week or next. I treasure the partnership we have between home and school, anchored in the calling to nurture the children in their faith and equip them for discipleship.

Please don't hesitate to reach out anytime you have questions or something you'd like me to know.

## LA

In Lit Circles, journal entry #4 will be due next Thursday, November 19 and the fifth journal entry will be due November 26. Students should be finishing up their first book so they can start their 2nd book in December. They are welcome to bring the books home to read over the weekend- the challenge is remembering to bring the books back to school!

## Math

Next week's fun facts check-in will focus on the 9 times table. We will have the check-in throughout the week as our educational assistants are available. Please study these with your child. You can use the links on the Math Resource section of the class website.

One algebra math game we've enjoyed is Salute. Follow these links to see the game played by John Felling ([addition](#) or [multiplication](#)). He is a math teacher who led several professional development sessions during our last PD day. You can adjust the difficulty by taking some cards out of the deck.

The unit 2 test for patterns and equations will be given next week Tuesday. A marked review should have come home with your child today.

## Unit Studies

We are finishing up our unit on Simple Machines. Playground/ Compound machine projects are due November 23-26. Our simple machines unit in the classroom has involved demonstrations, investigations using Newton spring scales, note-taking, videos from Fun Science Demos, and a trivia game. Next week we will come back to our group research on Indigenous People.

## Bible

In preparation for Christmas we'll be decoration a Jesse Tree in the classroom. Here is a simple explanation from the Dwell Bible curriculum: "A Jesse Tree is a centuries-old way of illustrating how God's story leads to Jesus. A series of ornaments show symbols that represent important people and events in God's Big Story."

## Bible Memory Verses

BMV due **Thursday, November 12<sup>th</sup>** (Extension)

(Previous Verses) "...For the law was given through Moses; grace and truth came through Jesus Christ. No one has ever seen God, but the one and only Son, who is himself God and is in closest relationship with the Father, has made him known." *John 1:1-18*

**November 12-26:** BMV Catch-Up & Bonus

Use this time to get caught up on missed verses, re-do verses to improve marks, or work on the Bonus passage (Isaiah 53:2-10a) to earn a 4 for Bible Memory on the report card. We are also working in class to paraphrase John 1:1-18 into a book that 5/6 year olds could understand, with illustrations.

**9x**

9 x 0 = 0

9 x 1 = 9

9 x 2 = 18

9 x 3 = 27

9 x 4 = 36

9 x 5 = 45

9 x 6 = 54

9 x 7 = 63

9 x 8 = 72

9 x 9 = 81

9 x 10 = 90

9 x 11 = 99

9 x 12 = 108

## Spelling Words - week 9
