Merry Christmas

I wish you all a merry Christmas and a wonderful time with your families. The gift of our Saviour is a life-changing gift. It's been so fun to prepare and celebrate with your children over the past month. I'm thankful for the time I've had to get to know them and I look forward to continuing on in early January.

The teachers are all so thankful that we get to teach in-person and we are praying that will continue to be possible through to the end of the school year.

LA

In Lit. Circles, I have introduced our new unit on Overcoming Adversity. The book choices include: *El Deafo*, *Rules*, *Out of My Mind*, *Fish in a Tree*, *Joey Pigza Swallowed a Key*, *Al Capone Does My Shirts*, and *Rain Reign*.

During this unit we will also be reading aloud *Ugly* and then *Wonder* during lunches. This is such a meaningful unit to help students build empathy towards others, celebrate diversity, and learn what it truly means to be an effective community-builder and image-reflector of Christ's abundant and unconditional love.

Math

We are working through our unit on multiplication and division. We will test on this mid-January. Learning multiple strategies can be challenging, but will hopefully increase mental flexibility and number sense. Here is one strategy we've used this week:

$$7 \times 16 =$$

$$7 \times (10 + 6) =$$

$$70 + 42 = 112$$

Also, please continue practicing the basic multiplication facts! These are the foundation for doing accurate work going forward. Our wonderful educational assistants quiz the students first in order and then randomly.
