June 28: Last Day!!

This has been an exhausting week for many of us as we adjust back to school after two weeks off. There have been a few arguments and some sensitive feelings. Some conflict is to be expected whenever there is community. We will continue to talk through the disagreements and work toward God honouring relationships. I am so thankful for the chance we have to be a community!

Skating!

The skating rink is ready! Students are welcome to bring their skates, helmet, and hockey stick to school if they have them. All students are required to wear a helmet on the ice - no exceptions! Students in grade 5 should be able to tie their own skates. However, there will usually be someone available to assist if needed. Grade 5s can skate during recess on day 1 and 4, and PE on days 1, 3, and 5 weather permitting. They are also welcome to bring skates for day 6 group PE. We get a double period, so it's extra worth bringing the skates and helmet on day 6. If your child needs skates or a helmet, the school has some. We will try to find the right size and loan them to your child for the season.

Math

Let's tackle those 8's and 9's for multiplication facts! The charts are on the back of this newsletter, and there are many helpful games available on our class website.

We have just started long division in our math unit. I have a math test set tentatively for Tuesday, Jan. 26. The children will bring home a marked review sheet to study from, a few days in advance.

TUSC

Your child may have come home talking about TUSC. There are full details on our class website in the resources page, under LA. The goal is to practice public speaking skills and allow a lot of choice in what the students prepare and present. In past years this has been a favourite! Our TUSC presentation days will be each day 4 through the end of the year.

LA-Repeat Announcement

In Lit. Circles, we are working on a new unit on Overcoming Adversity. This is such a meaningful unit to help students build empathy, celebrate diversity, and learn what it truly means to be an effective community-builder and image-reflector of Christ's abundant and unconditional love.
