Thank you Darolyn Walker!

School Community Fun

Calvin Christian's 1st Ever Drive-In Movie Night! Saturday, May 14 @ Covenant Christian Reformed Church Parking Lot. Come out to support grade 6 camp and enjoy a night out watching Sing 2, surrounded by family and friends. Tickets will now be available for purchase at the gate, cash or cheque accepted. Arrive between 7:45pm and 8:45pm.

Not able to attend and still want to contribute? Donations to this event are always welcome! If you wish to do so then send in cash/cheque to the office with a note to indicate that is to support the movie night/grade 6 camp.

LA

In addition to our Historical Fiction literature circles unit, we'll be working on a creative writing project based on the book, *The Secret Knowledge of Grown-Ups*.

Math

We're almost finished fractions and decimals! The test will be next Tuesday. A marked review sheet was sent home today. Our next unit is a lot of fun and involves geometry!

Science

The final topic of our scientific studies this school year is: the weather. We'll study tools used to forecast weather, Biblical examples of weather, how sin has impacted weather, and the students will each complete a final project on one type of severe weather.
