## Thank you

What a creative and intelligent bunch of kids! I am thankful your partnership and all the work you do to support our classroom and school. Your donations for Spanish Bibles are greatly appreciated! The Impact Team would love your prayers as they head to Mexico tomorrow! This group includes Josh's dad, Jordan Hollins. He is overseeing the construction work. We hope they have an amazing time and see God's hand in their work and relationships.

## LA

In April, our language arts time will be split between finishing our personal narratives and developing essay writing skills. After spring break we will begin practicing paragraph writing using an interview with Mr. Toews, the collegiate art teacher, who has an interesting past.

## Unit Studies

Late next week we'll be kicking off our unit on the amazing human body! I am in the process of acquiring a cow heart to study and dissect next Friday. Thanks to Hannah Suderman's uncle, who is a butcher at the Carver's Knife, for donating this special resource. Students who are not comfortable with the sights and smells are free to step into the hallway at any time while we are looking at the heart.

## Bible Memory

Our term 3 Bible memory starts next week. This is our grade 5 theme passage. I'm looking forward to getting back into this as a class!
