## Morning Run and PE . . .

. . . The weather is calling us outdoors! We will be spending quite a bit of time preparing for track and field events. Could you talk with your child and make sure he/she has a pair of good running shoes for outside? A sweatshirt is also really helpful. Thanks!

## Math

We have begun our study on geometry! Topics within this unit include describing shapes, vocabulary like perpendicular, intersect, rhombus, parallelogram, and kite. We will be playing with and talking about 3D shapes in addition to drawing them and identifying their nets. It's a shorter unit, so look for the test happening mid- May.

## Literature Circles

May 6 we'll begin our new Lit Circles unit in the Historical Fiction genre. The books included in this unit cover some sensitive topics, such as war, oppression, poverty, colonization, and natural disasters. Throughout these books, students will be exploring how we can learn from past mistakes and become critical-thinking, justice-seeking citizens. In addition to reading and journaling, students will have plenty of opportunity for discussion and reflection with peers.

## LA

T.U.S.C. has been a fun addition to our schedule since January. Thank you for the support you give your child at home. Some jobs can be time consuming. Please know these presentations are a gift to the class and greatly enjoyed.

## Bible Memory Verses

### **BMV due Thursday, May 2**

(Previous Verses) . . . If I say, "Surely the darkness will hide me and the light become night around me," even the darkness will not be dark to you; the night will shine like the day, for darkness is as light to you. Psalm 139: 1-12

### **BMV due Thursday, May 9**

(Previous Verses) . . . For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. Psalm 139: 1-14
