## *Blessings on your Easter celebration!*

Then he opened their minds so they could understand the Scriptures. He told them, "This is what is written. The Messiah will suffer. He will rise from the dead on the third day. His followers will preach in his name. They will tell others to turn away from their sins and be forgiven. People from every nation will hear it, beginning at Jerusalem. You have seen these things with your own eyes. I am going to send you what my Father has promised. But for now, stay in the city. Stay there until you have received power from heaven." Luke 24: 45-49

## *Spring*

The extended hours of sunshine have been welcome. An extra pair of socks and a plastic bag for wet socks might be a good addition to your child's backpack. =)

## *Science*

Joan Reenders is a Christian nurse who has been a guest speaker at Calvin Christian for many, many years. She presents about God's amazing design of male and female bodies and the changes they can expect throughout puberty. Girls and boys will be separate for this presentation. More details to come after break.

Jorie Janzen will be coming April 27 to present on nutrition! If your child would like to share a recipe in our electronic class recipe book, would you help them type it up (or just take a picture!) and email it to me by April 20? Any favourite recipe is great (snack, meal, treats). I will share a PDF collection in a couple weeks along with the recipes we make with Jorie and the grade 5 additions. Thank you!
