### LA

We've started our historical fiction literature circles unit. Books included in this unit are *Wave*, *We All Fall Down*, *Walking Home*, *Breadwinner*, *I am a Taxi*, *War Horse*, *When Stars are Scattered*, *Making Bombs for Hitler* and *Red Wolf*.

### Math

We are having so much fun with the geometry unit. On Wednesday we spent some time with tangrams using this [website](#). Your child may want to do some more with you at home. If you don't have the pieces, you can cut them out of a piece of paper or thin cardboard with these instructions: [Fun Tangrams with Claire and David](#). I will be assessing children in a different way for this unit with one on one and small group assessments. This was a request from students and I am excited for the change.

### Track and Field- repeat announcement

Children from grades 4, 5, and 6 will be participating in track and field day, June 4, rain date June 17 at River East Collegiate (our neighbour to the east). We can't do this without parent volunteers. Please consider if you might be available that day or half of the day to help out! Sign up coming soon. Events include long and triple jump, softball and frisbee throw, and a variety of races from short sprints to the 1500m. Parent volunteers are always teamed up with Calvin staff members. I understand that not everyone has the schedule to be here with us. We will be cheering all the children and I'll take lots of pictures.

### Bible Memory Verses
