LA

The students' interactive poetry journals are as good as gold!

Math

Our next math unit is on transformations (reflections, rotations and translations). It will be a brief but solid introduction to this type of math.

Students can also spend time on a math app or site, such as Freckle, iKnowit, SovleMePuzzles, or Prodigy.

End of the Year Party

If your child's last name starts with letters N-V, could you send a drink or snack in for the final day of the school year? We'll try to balance drinks/sweet snacks and salty snacks. I'll ask these children on June 15 what he/she would like to sign up for. Feel free to give them suggestions of what might work best for you ahead of the sign up. Thank you!

Bible Memory Verses

Suppose I speak in the languages of human beings or of angels. If I don't have love, I am only a loud gong or a noisy cymbal. ² Suppose I have the gift of prophecy. Suppose I can understand all the secret things of God and know everything about him. And suppose I have enough faith to move mountains. If I don't have love, I am nothing at all. ³ Suppose I give everything I have to poor people. And suppose I give myself over to a difficult life so I can brag. If I don't have love, I get nothing at all.

⁴ Love is patient. Love is kind. It does not want what belongs to others. It does not brag. It is not proud. ⁵ It does not dishonour other people. It does not look out for its own interests. It does not easily become angry. It does not keep track of other people's wrongs. ⁶ Love is not happy with evil. But it is full of joy when the truth is spoken. ⁷ It always protects. It always trusts. It always hopes. It never gives up.

⁸ Love never fails. But prophecy will pass away. Speaking in languages that had not been known before will end. And knowledge will pass away. ⁹ What we know now is not complete. What we prophesy now is not perfect. ¹⁰ But when what is complete comes, the things that are not complete will pass away. ¹¹ When I was a child, I talked like a child. I thought like a child. I had the understanding of a child. When I became a man, I put the ways of childhood behind me.
